WILLARD JONES

REAL ESTATE

228 S Wabash is a 10-story vintage building with modern flair. It offers all new plumbing, electric wiring, HVAC system, restrooms, and updated elevators. Even with its updated features, though, the building has its own piece of history--it is located right off of the historic U.S. Route 66, The Main Street of America.

Excellent natural light facing Wabash
Individual HVAC controls
Storage space available

Surrounded by shops and restaurants

Convenient to all public transportation

Michigan Avenue parks and other cultural attractions nearby
